New Online Poster Available to Promote Your Jr. Grange

This Poster should provide you and your Junior Grangers with a great opportunity to promote all the activities you do in your community. You can find the poster on the National Junior Grange Web pages. You can take this file to any print shop and they should be able to print posters for you. At the bottom of the poster you will note an open space for you to add your own information. So let's get out and promote Junior Grange.

Text on Poster:

"Junior Grange is a program for children ages 5 to 14 patterned after the parent organization. Community involvement and personal growth are core principles of Junior Grange. These values are expressed through fun and educational activities which aid each child to reach their full potential."
