Permission, Release and Hold Harmless/Indemnification

I/We, _____, am/are the Parent(s)/guardian(s) of _____ (child). We hereby jointly and severally permit and request the Oregon State Grange to permit, our child to participate in all activities sponsored by the National, State, Pomona, Subordinates and Junior Grange.

I/We recognize the program requires the time, energy, and supervision of members and volunteers of the Grange in order to be a success. After having fully considered the possibilities of harm and injury, I/We as the parent(s)/guardian(s) of our child do accept the responsibility for any and all injury to our child as a result of his/her participation in the aforementioned activity which may occur during travel time, participation in activity and any other time involved in the activity.

I/We certify that our child is in good health, free from physical disability, which would make our child's participation in this activity inadvisable. I/We will advise the moderator of any information that I/we may acquire in the future which would render our child incapable for health or other reasons from full participation in this activity. By this permission form, I/We hereby expressly authorize the person in charge of the activity or their designee to permit emergency medical treatment if it becomes necessary and I/we accept personal responsibility for the results and costs of such treatment.

This permission, release, hold harmless and indemnification is given so the Grange will allow our child to become a participant in the aforementioned Junior activities.

I/We hereby release, hold harmless and will indemnify the Oregon State Grange, its officers, directors, volunteers and moderators from all responsibility for claims of personal injury to our child, which may occur as a result of participation in the Grange Junior activities program.
