 1510 Deborah Rd #4  
 Newberg, OR 97132  
 503-502-3188

GROW stands for "Go Right On Working." The GROW Club is an unofficial organization of those persons who have worn the sash or crown of the State Grange Outstanding Young Granger, Youth Ambassador, Outstanding Young Couple, Outstanding Young Adult, or member of the National Youth Team. A Dutch-treat luncheon is held during the state and national conventions to encourage winners to keep in contact with each other and to develop new areas of service to the Grange. Pins are

available from the National Youth Development Director.

The National Youth Development Director is compiling a list of all GROW Club members. If you have received this honor, please contact your State Youth Co-Directors so that your information can be put into the database. We are also looking for suggestions for ways to make the GROW Club more active and involved at the state and national levels. If you have any suggestions, please let the GROW Club Co-Directors know.

We currently have an Oregon State GROW Club Board established to help our club be more active. They will be working on fundraisers and other ideas to help support the youth program in Oregon.

- This board will make and implement decisions for the GROW Club and keep in close contact with the State Youth Co-Directors.
- An annual camp out is planned with any/all club members and their families invited.
- Donations solicited by the club may be used to sponsor youth to attend the annual state Grange convention.
- The club will create and spearhead participation in a traveling Fifth Degree Team. All interested parties should contact a member of the board or the State Grange Youth Co-Directors.
