

Installation of Officers

All officers must be installed prior to starting the new term of office. The installation should take place as soon after the election as practicable or desirable.

Many Granges join together to do a joint installation and make the event as festive as possible. The event is open to the public and guests should be cordially invited.

Any Master or Past Master of a Subordinate/Community Grange or any Fifth Degree member is eligible to install the officers of a Subordinate/Community Grange.

Any officer or past officer of a State or National Grange or Master or Past Master of a Pomona Grange or any member of a Pomona Grange, who has been a voting member of the Oregon State Grange, or any Deputy, and/or person approved by him/her may install the officers of a Pomona Grange.

Installation officers must, of course, be a member in good standing.

Instructions for the Installation Ceremony can be found in the traditional “blue” Grange Manual. Officers include Master, Chaplain, Installing Officer, Marshall, Overseer, Regalia Bearer, Emblem Bearer and Steward.

Special music, tableaux, or other local additions should be planned with only a single thought – to emphasize and supplement the lessons taught in the “blue” manual itself. One to one and one half hours would be an appropriate length of time.

Officer Selection in the Grange

Each Grange is encouraged to select its officers and committees very carefully. All members should have an opportunity to serve as an officer or on a committee. Good leadership is essential to the progress of each Grange. The fundamentals of the Grange officer elections are:

- ✓ Nominations are never closed, which allows members to vote for whomever they desire.
- ✓ Members vote by paper ballot to preserve their right to a secret ballot. An officer is elected if he/she receives 50% plus one or more of the total votes cast.
- ✓ No nominating speeches are allowed, which includes campaigning for office. Members may attend any meeting, but should never state who any member should vote for nor make any disparaging statement about any candidate.
- ✓ Any member may decline an office for which they have been nominated.
- ✓ Nominations will be called for by the Master for the first office in rank. However, a Grange may choose to amend their By-Laws or by motion elect officers in any order.
- ✓ Members may hold office only in the Grange in which they hold membership. Affiliate members may not hold the same office in two Subordinate/Community or Pomona Granges at the same time.
- ✓ Instructions for the voting process are found in the “pink” Floorwork Handbook under “Paper Ballot.”
