

## Mary Helen Sauter Ramm Memorial Scholarship

This scholarship was established by Mrs. Ramm's daughters to honor their mother and her commitment to education. Mary graduated at age 16 from high school in 1941 but put off college until after World War II. She first started college in 1948 to study history and education but was forced to quit school for both financial reasons as well as to help on the family farm and was not able to return to school until 1960.
