

Right on Target Youth Committee Award

(National Program)

A Granger or a group of Grangers who work together to reach out to the youth in their community can earn this award by setting a goal and sharing their accomplishment. Subordinate/Community, Pomona Grange and State Youth Programs are eligible for consideration.

- The goal of the project, the plan of action and result must be submitted to the National Grange Youth Development Director to be considered for the award. Photos are not required but encouraged.
- Each member of the planning and implementation committee will receive a certificate of recognition.
- Reports can be sent to the National Youth Director at anytime, but no later than **September 10** of the current year for display at the National convention.
- Reports should contain a written summary of what was planned and the results of the project along with pictures that show what happened.
- The first place program will be awarded \$45 and a certificate. The second place program will be awarded \$30 and a certificate. The third place program will be awarded \$15 and a certificate.
- All programs will be shared with the State Grange Youth Directors, State Masters on the National Grange Youth Development Department program CD and may be available on the National Grange Youth website.
- Entries must contain the names of the Grange members working on the project, along with a main contact name, address, phone number, Grange name and number.
