

Right on Target Youth Committee Award

We need to begin reaching out to the youth in our communities! A Granger, or a group of Grangers who work together to reach out to the youth in their community, can earn this award by setting a goal and sharing their accomplishment.

- The goal of their project, the plan of action and result must be submitted to the National Grange Youth Development Director to be considered for the award.
- Each member of the planning and implementation committee will receive a lapel pin.
- Reports can be sent to the National Youth Development Director at anytime, but no later than **September 10** of the current year for display at the national convention.
- Reports should contain a written summary of what was planned and the results of the project along with pictures that show what happened.
- The first place program will be awarded will be \$45 and a plaque. The second place program will be awarded \$30 and a certificate. The third place program will be awarded \$15 and a certificate.
- All programs will be shared with State Grange Youth Co-Directors, State Masters on the National Grange Youth Development Department program CD and may be available on the National Grange website.
- Entries must contain the names of the Grange members working on the project, along with a main contact name, address, phone number, Grange name and number.
